PROFOUND SENSATION Promised in Ohio Politics.

Fromlied in Ohio Politics.
CINCINNATI, November 22,—The political ensation of the day was the arrest of R. J. Vood, of the famous ballot-box forz ry use which played so proximent a part in he late Ohio election. The arrest was made if the instance of Governor-elect James E. ampbell. United States Senator John Shernan, and Congressman Butterworth. It is not the disclosures in connection with the assewill cause a profund sensation in the political world.

An Iowa Tragedy.

An Iowa Fragedy.
CEDAR RAPIO, Iowa, November 22.—At Sentre Point this morning, John Hendrickson, a grocer, shot his wife three times at the farm residence of Will Taylor, four niles south of that place. Each shot took fleet—one in the forchead, one in the mouth, and the other in the back of the neck. Hendrickson then went to Goldsbarr, dounce's place, near by, and shot himself with a shot-gun, blowing off his entire head. The cause is attributed to domestic troubles of long standing. The woman is alive, but d long standing. The woman is alive, but will die.

DOSING DAY OF THE NORTH
CAROLINA CENTENNIAL

A HIE Pravious season Vacua Address
The William In Pravious Control of the Market Pravious Control of the Mark

PRINTED CENTURIES AGO.

There is a secret chamber in the Congressional Library, a sort of holy of holies, as it were, the key of which is always carried safely in the pocket of Librarian pofford's every-day attire. In this react, save from the covetous fingers of the shoomannae or the hands of a common anof, Mr. Spofford has hidden away a umber of rare, and valuable books. The brary has formany years, been accumulating all works relating to America until decide to rent rooms elsewhere for the Legislature.

D

He was a Confederate soldier who cambere from Tennessee after the war and engaged in the cotton business. He was married to a Southern woman, and his hous was a centre for visitors from that section. His slayer is the daughter of the late E. J. Martin, of Louisville, Kv., and the family is well connected in New Orleans. Pettuwas a member of the Cotton Exchatge olong standing, and was highly respected It was a terrible ending of a scandal that had lasted two years.

HARFELD TO GO TO THE PENITENTIARY Recorder Smyth, in the Court of General Sessions, to-day sentenced David Harfeld the pawnbroker from Elehmond, Va., who was convicted of bigamy, to three year, and six meinths in State prison. Special telegrams to Bradstreet's report a fair volume of trade. Except in holiday specialties, however, the movement, checkee by unfavorable weather and the latenes of the season, has been smaller than during. October, though still in excess of the tota one year ago. The Western tobacco feaford, is reported 16 to 20 per cent. less than has year, when it amounted to 275,000 hogsheads. Reports from ninety-nine railroad of gross and set earnings to Bradstreet's for September, show a gain of 8.1 per cent, it gtoss, and of 18 per cent, in net over September, 1888. From January 1st to September 30th, one hundred and live railroad show railed. STATE OF TRADE.

tember, 1888. From January 1st to September 30th, one hundred and five railroad, show gains of 5.6 per cent, in gross and 13.1 per cent, in net over the nine months lasyear. Raw cotton is dull and reatureless with a bearish tone, due to issuance of large crop estimates on Liverpool. Business fairures reported to Bradstreet's number 25 in the United States this week, against 32 List week, and 253 this week last year. Canada has 33 this week, against 32 List week. The total number of failures in the United States from January 1st to date in 16.107, against 8,992 in 1888.

During the past two months options have been secured on all the cheese factories in Western New York by the agents of a monster cheese syndicate, which is to embrace the entire cheese production of the country. It is not known certainly, but a is betieved to be at the instigation of English capitalists.

A POLITICAL BOLT.

The Ninth Assembly district anti-Tammany Democrats, under the lead-riship of the police commissioner, have bolted from the County Democracy and resolved itseninto an independent political party. Sometic action as this has been looked for every since Commissioner Voorhis refused in the a new Democracy, which is destined to grow and become the most formidable oppo-nent of Tammany Hall, and that the ole County Democracy will dwindle into insig-nificance and finally disappear from the po-litical field forever, as did the old Irving Hall faction. Several other assembly dis-tricts of the County Democracy organiza-tion are wavering in their allegiance, and

tion are wavering in their allegiance, and may soon follow the example of the Ninti Assembly district and resign and join the THE SQUADRON OF EVOLUTION of the new may arrived at Boston at 1:30 P. M. to-day, en route to the Mediterranean. Boston has always been essentially a navatown, and at the first report of the war ships coming up the bay the entire water front of the city became thronged with people. The scene was an inspiring one as the vessels steamed slowly, but majestically up the harbor toward their anchorages. Elaborate preparations have been made on the part of the Federal, State and municipal authorities to entertain Admiral Walker and his officers during the five days of their stay.

during the five days of their stay. ALL SORTS.

A private cablegram to a New York banking-house says that ex-Minister to Germany George H. Pendicton is dying at Brussels of an internal abscess.

The London rumor that a revolution has occurred in Cuba is generally scouted by all with Cuban connections in this city.
